The
Golden Gavel

Our Mission

To deliver high-quality, innovative, and customized tax and accounting services that help our clients achieve their financial and business objectives while ensuring full regulatory compliance and optimizing their tax positions.

As an Approved Tax Agent by the Federal Tax Authority (FTA), TGG is proud to hold the distinction of being a trusted member of the professional community in the UAE. Our commitment to excellence is evident in everything we do, and our team stays abreast of industry trends and changes to offer valuable insights and guidance to our clients.

Why Choose TGG

Certified Expertise: FTA-Approved Tax Agents with 20+ years of combined professional experience delivering measurable tax optimization and risk mitigation for complex entities.

Banking & Financial Services Specialization: Direct experience advising banks, financial institutions, investment firms, funds, and brokerage on international banking transactions, trade finance, and cross-border regulatory compliance.

Multi-jurisdictional Competence: Deep expertise in UAE tax regulations, international tax treaties, transfer pricing, and cross-border transaction structuring across multiple foreign jurisdictions.

Proven Track Record: Demonstrated success in delivering materialized tax savings, resolving complex FTA disputes, and providing strategic guidance for multinational corporations and financial institutions.

End-to-End Solutions: Comprehensive services spanning strategic planning, compliance management, regulatory representation, and technology-enabled process optimization.

Data Security & Confidentiality: Commitment to absolute confidentiality, secure data handling, and professional discretion in all client engagements.

Technology-Enabled: Leveraging cutting-edge tax software and analytical tools to ensure accuracy, efficiency, and real-time compliance monitoring.

Our Leadership

Mariam Wehbe Partner & Managing Director

Mariam is a Partner and the Managing Director of The Golden Gavel, bringing over **23 years of specialized expertise in tax, finance, and international banking advisory**. As a **certified UAE VAT Tax Agent** and **Certified Tax Agent recognized by the Federal Tax Authority (FTA)**, she has established herself as a leading authority in both indirect and direct tax compliance, planning, and strategic structuring.

Core Expertise:

Mariam's extensive experience encompasses **corporate tax registration, effective tax rate calculation, tax planning and structuring, and comprehensive tax health checkups** for multinational corporations and financial institutions. In addition to all VAT related advisory and mandates. She has led complex engagements in **fund brokerage advisory, investment management, and asset & wealth management** for banking clients operating across multiple jurisdictions.

Banking & Financial Services Experience:

With direct experience supporting banks and financial institutions, Mariam specializes in tax advisory for international banking transactions including **personal and commercial banking, investment funds, investment management, and brokerage & custodians**. Her expertise in gap analysis and tax risk mitigation has helped banking clients navigate complex regulatory environments while optimizing their tax positions.

Key Competencies

- **Corporate Tax:** Corporate tax analysis, registration, compliance, and regulatory filings across multiple jurisdictions including Withholding tax exposures.
- **VAT Tax:** Tax analysis, registration, compliance, and regulatory filings across multiple jurisdictions
- **Tax Structuring & Planning:** Advanced tax structure design and implementation with proven track record of materialized tax savings
- **Certified Tax Agent:** Full representation before tax authorities (FTA and international equivalents)
- **Tax Advisory & Gap Analysis:** Comprehensive risk assessment, compliance gap identification, and actionable remediation strategies
- **Fund Brokerage & Investment Management:** Advisory for banking investment portfolios and cross-border fund transactions
- **Asset & Wealth Management:** Strategic guidance for institutional asset allocation and wealth preservation
- **Tax Compliance:** IFRS-compliant tax reporting, statutory assessment, and tax risk reporting
- **Continuous Improvement:** Six Sigma Green Belt certified with focus on process optimization and tax planning efficiency

Specialized Knowledge:

Mariam has deep expertise in UAE tax landscapes, particularly transactions between free zones and mainland, transfer pricing policies, and international tax treaty applications. Her ability to interpret complex multi-jurisdictional tax regulations makes her ideally positioned to guide clients through sophisticated cross-border transactions while ensuring full regulatory compliance.

With her comprehensive understanding of both financial services and tax regulations, Mariam leads TGG in delivering smart, compliant, and strategically optimized tax solutions tailored to each client's unique needs and goals.

Our Team

Our Team

Our team is comprised of highly qualified professionals with specialized expertise covering every facet of UAE tax regulations, Federal Tax Authority (FTA) procedures, and corporate tax compliance.

- **Senior UAE National Tax Consultant:** Bringing over 8 years of hands-on experience within the FTA and the national tax system, this team member specializes in VAT refunds and manages correspondence for large corporate taxpayers. Their unique insight ensures optimal outcomes for complex VAT refund applications and effective communication with tax authorities on high-profile cases.
- **Senior VAT Manager:** With over 15 years of specialist experience in UAE VAT implementation, compliance, and advisory, our Senior VAT Manager leads on complex domestic and cross-border VAT matters, providing best-in-class guidance for businesses, financial institutions, and large corporate clients.
- **FTA Communication & Registration Specialist:** An expert dedicated to all aspects of FTA communications and corporate tax registration, efficiently managing interactions, documentation, and compliance for clients. This ensures seamless and timely registration and ongoing regulatory correspondence with the Federal Tax Authority.

Our Services

At TGG, we deliver a comprehensive suite of tax, financial advisory, and strategic services tailored to meet the complex needs of businesses, financial institutions, and high-net-worth individuals. Our experienced team of certified professionals combines deep technical expertise with practical industry knowledge to provide solutions that ensure regulatory compliance while optimizing financial outcomes. We are dedicated to providing a wide range of tax and financial services that meet the unique needs of our clients. Our experienced team of professionals is knowledgeable and highly skilled in various areas of tax and finance, allowing us to deliver effective and tailored solutions for our clients.

“Our goal is to assist clients with all their tax and accounting needs and ensure their regulatory compliance.”

Federal Tax Authority
Representations

05

Our Services

Federal Tax Authority Representations

Federal Tax Authority (FTA) Representations is one of the core services offered by TGG. This service provides clients with complete representation before the FTA for any tax-related matters. The team of experts at TGG has extensive knowledge and experience in UAE tax laws and regulations and is well-equipped to handle all FTA-related issues for clients.

The sub-services under Federal Tax Authority Representations include:

1. **FTA Registrations:** This involves registering clients with the FTA for tax purposes and ensuring that they are in compliance with all the tax requirements as per UAE law.
2. **FTA Objections & Appeals:** In case of any objections or appeals raised by the FTA, TGG provides complete representation before the FTA and helps clients resolve the matter in a timely and efficient manner.
3. **FTA Assessments & Reassessments:** TGG assists clients in responding to assessments and reassessments raised by the FTA and helps them in resolving any tax-related disputes.
4. **FTA Audit Representations:** TGG provides complete representation to clients during FTA audits and helps them in complying with all the requirements as per UAE law.

Overall, TGG's Federal Tax Authority Representations service helps clients in navigating the complex tax laws and regulations in the UAE and ensures that they remain compliant with all the tax requirements.

VAT Tax Compliance Services

Our Services

VAT Tax Compliance Services

Tax Compliance Services at TGG are designed to ensure that our clients remain in compliance with all tax-related laws and regulations. Our team of experts are well-versed in local tax laws and regulations and are committed to providing comprehensive tax compliance services that cater to the specific needs of each client.

a. Review of Tax Returns: Our team of experts will review the tax returns of our clients to ensure that they are accurate, complete and in compliance with the tax laws and regulations of the UAE.

b. In-Depth VAT Audit Analysis: Our team will carry out a thorough analysis of the VAT audit to identify any potential compliance issues and recommend steps to rectify them. This service is designed to ensure that our clients remain compliant with the VAT laws and regulations of the UAE.

c. Tax Comprehensive Internal Audit & Control Review: Our team will conduct an internal audit of the tax processes of our clients to identify any weaknesses in the system and make recommendations for improvement. This service is aimed at ensuring that the clients have an efficient and effective tax compliance process in place.

Our Services

Technology Solutions

Technology Solutions is a crucial aspect of business operations in the modern era. The incorporation of cutting-edge technology solutions helps businesses streamline their processes and make informed decisions. Our Technology Solutions service aims to assist businesses in achieving these goals by offering a range of innovative solutions.

a. Tax Software Solution, which provides a comprehensive and user-friendly platform for businesses to manage their tax obligations. The tax software solution can assist businesses in the following ways:

1. VAT Reporting: Automate the process of VAT reporting by keeping track of invoices and generating VAT returns, ensuring compliance with the Federal Tax Authority (FTA) regulations.

2. Tax Calculations: Quick and accurate calculation of taxes owed by the business, providing a clear view of the tax liability.

3. Record Keeping: The software maintains accurate records of tax transactions and provides the ability to retrieve information as and when required.

4. Tax Filing: The software simplifies the process of tax filing by providing an intuitive and straightforward platform for the submission of tax returns.

In conclusion, our Technology Solutions service, combined with our Tax Software Solution, provides businesses with the tools they need to manage their tax obligations effectively while reducing the risk of errors and ensuring compliance with regulatory requirements.
